

Setting up Application Environment

Create IBM Cloud Account

Date	11 November 2022
Team ID	PNT2022TMID03865
Project Name	Project - Personal Expense Tracker Application

The screenshot displays the IBM Cloud Dashboard. At the top, there's a navigation bar with 'IBM Cloud', a search bar, and links for 'Catalog', 'Manage', and the user's name 'Prem Kashyap Chilikamarthi's A...'. Below this is a 'Dashboard' section with a 'For you' grid of seven cards: 'Build', 'Get Started with Watson Studio', 'Build a web app with Watson Speech to Text', 'Use Speech to Text', 'Use Text to Speech', 'Use Knowledge Studio', and 'Get started with Watson Discovery'. Each card includes a brief description and a 'Popular' or 'Recommended' badge with a duration. To the right of the grid is a 'Select an option' dropdown. Below the grid are four sections: 'News' (with a 'View all' link), 'Recent support cases' (with a 'View all' link), 'Planned maintenance' (with a 'View all' link), and 'IBM Cloud status' (showing 'No issues' with a green checkmark and a 'View all' link). At the bottom, there are two tabs: 'Usage' (with a 'View usage' link) and 'User access' (with a 'Manage users' link).
